

# Maths-Whizz technical specification

Once you have a Maths-Whizz subscription, getting into the Tutor couldn't be easier. There's no app to install or additional set up, just visit [whizz.com](https://whizz.com) and log in.

To make sure your device and browser are up to date and compatible with Maths-Whizz, please read through our compatibility checklist.

---

## Minimum requirements

### Internet browser

Chrome 63+

MS Edge 15+

Safari 11+

Firefox 61+

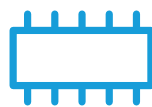

Samsung Internet 8+

---

### Device and internet connection

Minimum 7.9" screen  
(recommended for usability reasons)

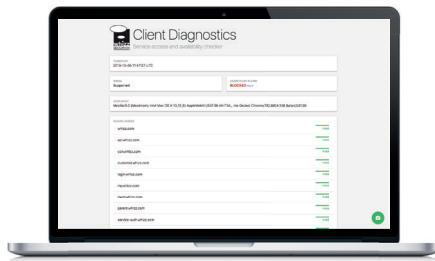

WebGL-enabled graphics card and browser 2GB RAM

0.5Mbps Internet connection (per concurrent student)

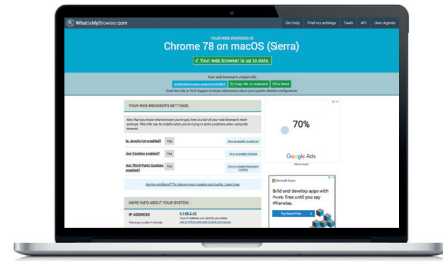

## How to check compatibility

### Check your graphics card

To check the device has a WebGL enabled graphics card go to [doctor.whizz.com](http://doctor.whizz.com).

### Check your browser and operating system

To check the browser version and operating system go to [www.whatismybrowser.com](http://www.whatismybrowser.com) on the device.

---

## iPad or tablet not compatible?

If your device does not meet the minimum requirements, you will need to install a third-party browser.

### We recommend:

**Best Experience:** Puffin Browser Pro (\$4.99 USD). For iPads and tablets only.

**Most cost effective:** Photon X Private Browser and Flash Player for iPad (\$0.99 USD). Please note, students will have to click to open the keyboard in this app.
